Property Description

The property comprises a pair of inter-communicating, steel portal frame warehouse units, forming a single detached industrial property. The buildings feature profiled steel cladding / roofing and were substantially constructed in the 1980s by the current owner for their own occupation. The property provides predominantly ground floor warehouse space, with a small storage mezzanine and office accommodation, arranged over ground first and second floors.

The property benefits from an eaves height of 7.2m, rising to an apex of 7.4m in the south warehouse, an eaves height of 7.8m, rising to an apex of 9.6m in the north warehouse and has a 200amp three phase electrical supply. There are gantry cranes (untested) in each warehouse.

Externally there are two separate secure yard areas. The smaller of which is primarily used as car parking and has capacity for circa 8-10 vehicles. The property also benefits from an advertising hoarding investment.
