Guide price £1,000,000 subject to contract

Property Description

The property comprises a prominent 0.31 acre site with a single-storey site office.

The site perimeter is secured with palisade fencing and access is via double gates off Jute Lane. The detached site office provides predominantly open plan office accommodation, a private office / meeting room, kitchen and WC. The property was formerly used as a car rental depot and it is understood that there was an associated carwash facility on site.

There were a number of income producing advertising hoardings on site but we understand that there are no current lease / licence arrangements in place and that the property will be sold with vacant possession. Planning permission (Ref. 25/04359/ADV) was granted on 12th February 2026 for the removal of existing advertising hoarding and relocation and erection of a digital advertising board.

The property currently has a sui generis planning use and would be suitable for a variety of alternative storage, industrial, retail and other uses subject to obtaining the necessary consents. The site has potential for a high-density mixed use commercial and residential / hotel scheme STPP.

Key considerations:

- > Prominent rarely available 0.31 acre freehold site with vacant possession
- > Exceptional road frontages - Mollison Avenue, Green Street and Jute Lane
- > Highly desirable and strategic industrial location
- > Suitable for a variety of uses and with considerable development potential (STPP)
- > Excellent transport communications
- > Brimsdown Station: 65m
- > M25 Motorway (Junction 25) 3.5 km (2.2 miles)
- > North Circular Road (A406): 5.0 km (3.1 miles)
